This Information was collected fall of 2014, based on General Price Lists (GPLs), provided by funeral homes listed. Prices are subject to change without notice.

Using the data provided, the chart contains an example of an inexpensive traditional funeral using the least costly alternative where possible. This is an example and is NOT a package prepared by the funeral home.

Consumers may decline any of these services except the basic service fee, or may add other services and merchandise available on the GPL. The basic service fee is usually included in the cost of an immediate burial or cremation.
